Welch, Francis X.: In the Nation's Capital—National Mobile Radio System organized to give mobile radio-telephone service on nation-wide basis in competition with common carriers; Probably faces regulatory commission rules and regulations before it can be placed in operation; House Rules Committee votes out Poage Bill; July 2, p. 9. . . . Senate Finance Committee for reduction in excise taxes; Martin urges outright repeal; State commissions "hit" taxes, July 9, p. 14. . . . Record of Congress indicates Truman has failed, by far, to put across his Fair Deal—the product of his super-sales campaign last November; New FCC probe in House, July 16, p. 17. . . . Welch analyzes House vote on Poage Bill with explanations as to why measure ran up such heavy support, July 23, p. 17; Congressional intent of Poage Bill amendment is to protect telephone industry from competition and to eliminate wasteful duplication of facilities; Statement of Representative Walt Horan substantiates this; Minimum wage amendment may come up for further debate, July 30, p. 12.
Repeal of excise taxes doubtful before congressional adjournment; NLRB recognizes affiliation of the Communications Workers of America with the CIO; Passage of Poage Bill by House of Representatives stirs up state cooperative activity, Aug. 6, p. 11. . . . Senate resumes hearings on Hill Bill; REA, USITA witnesses heard; Sentiment of committee favorable towards the measure, Welch says, Aug. 13, p. 15. . . . Senate committee hears testimony on Hill Bill by three Bell company presidents, USITA vice-president, and investment banker; Latter estimates cost of financing rural telephone service at more than $1,200,000,000; Maintains that ample funds exist for private financing of "sound telephone companies," Aug. 20, p. 15. . . . NARUC hears criticism of high corporate taxes on utilities and wartime excise taxes on telephone service, Aug. 27, p. 13.
Final passage of 750-station exchange exemption in minimum wage legislation held likely; Must be decided in House-Senate conference committee, Sept. 10, p. 16. . . . FCC orders Bell system companies to remove from tariffs certain restrictions on interconnection with interurban television facilities, Sept. 17, p. 16.
Senate votes appropriation to cover rural telephone loans before bill authorizing REA to make loans passes that body; FPC commissioner Leland Olds gets rough going-over in senate hearing on renomination because of his anti-private enterprise writings in the twenties, Oct. 8, p. 9. . . . Status of newly passed REA telephone bill discussed; House and Senate must now iron out differences in joint conference; Senators Hill and Aiken stress Congressional intent to avoid public ownership, Oct. 15, p. 9. . . . Rural telephone bill, with industry-sponsored amendments, enacted; Welch outlines changes in original House and Senate bills made by conference committee; industry must continue on rural expansion, Oct. 29, p. 12.
Present trend toward high pressure methods of "organized groups" at regulatory commission hearings discussed, Nov. 5, p. 13. . . . FCC operators carry on traditional heroism in remaining at switchboard during recent fire in commission's offices; REA issues statement on new rural telephone law, Nov. 12, p. 13. . . . CIO national convention passes resolution advocating regulation of all telephone rates by FCC; Ex-Federal Power Commissioner Olds blasts state regulatory commissions; State Supreme Court upholds Western Union's transfer of utility services to telephone companies, Nov. 19, p. 17. . . . Rural Telephone Loan Act gets attention from press; Commissions also evincing interest; New York commission shows sympathetic attitude toward utilities; Senator predicts excise tax cut, Nov. 26, p. 13.
Economics of replacing five-cent paystation rate with 10-cent charge discussed; ICC moves in on local transit regulation; CWA perturbed over increase in Bell System minimum pension; REA co-op runs commercial electric company out of business, Dec. 3, p. 32. . . . Wisconsin Circuit Court's decision in Community Telephone Co. case reviewed; Discusses court's theory upholding commission in deducting full amount of depreciation reserve from original cost in order to arrive at a rate base, Dec. 10, p. 9. . . . REA receives 600 inquiries on telephone loans up to Dec. 9; Most of them come from existing companies with a high saturation in the southeastern states; Excise tax "beef" growing, Dec. 17, p. 9. . . . Treasury utility chief presents some new ideas in Washington, D. C., rate case; REA to train graduate electrical engineers for telephone division, appoints two more aides; FCC looks for change in Communications Act, Dec. 24, p. 14. . . . Welch makes his 10 predictions of things to come in 1950; Batted 85 per cent on prophecies for 1949, Dec. 31, p. 12.
Labor's stake in telephone rate cases, Sept. 3, p. 12.
Political action and the telephone industry, Oct. 1, p. 11.
The seventh inning stretch for the USITA, Sept. 24, p. 20.

Williams, T. E.: Punch card controls*, Oct. 22, p. 82.
